The Stonewall Jackson Living Links Historic Tree Collection

Wilderness Kentucky Coffeetree

Stonewall Jackson Prayer Oak

The Manassas Red Oak

Every Living Links Historic Tree comes with a complete planting kit and certificate of authenticity!

You've read the books and seen the movies. Now, you can own, nurture and grow a *Living Link* to the great leaders of the Civil War. Through this exclusive arrangement between *America's Civil War*, *Civil War Times*, *TheHistoryNet* and American Forests, you can own this unique collection of direct offspring trees—a living reminder of one of the greatest military leaders of the Civil War.

Plant a *Living Links Historic Tree Collection* of your own, or give historic trees as gifts to individuals and institutions, and help further awareness and historical knowledge among young and old—now and for generations to come—and at the same time enhance the environment.

American Forests identifies, preserves and propagates historic trees through its exclusive collection agreements with the National Park Service, state parks, private parks and historic sites. The sale of each *Living Links Historic Tree* contributes to American Forests' global environmental restoration effort, which has helped plant more than 20 million new trees to date.
